To Whom It May Concern:

QTEK Manufacturing Ltd. is an appointed distributor and licensed converter of DuPont™ Sontara® wiping fabrics, and related DuPont products. Together, QTEK and DuPont are making various DuPont™ Sontara® materials available for a variety of stencil printer cleaning units and the specially branded paper is clearly distinguishable from its inferior competitors.

Further information in relation to QTEK's distribution of DuPont materials, can be obtained by contacting QTEK directly.

Yours sincerely,
